THE SERENITY PRAYER

God grant me the serenity
to accept the things I cannot change,
courage to change the things I can,
and wisdom to know the difference.

Growing up in sobriety means different things to each
recovering alcoholic, but one idea seems true: The re-
wards for reaching for emotional sobriety are serenity,
emotional balance and an increased joy for living. These
selected stories from the AA Grapevine show that when
people in recovery have the willingness to work the pro-
finding solutions rather than stay stuck in prob-
lems, they can let go of fear, put aside selfi sh demands,
practice outgoing love and become more connected to
their Higher Power, family and fellows.

The Language of the heart

Between 1944 and 1971, Bill wrote 150 articles for AA Grapevine,
helping to unite the Fellowship’s new groups and hammer-
out the principles of AA. These articles give us a living history of
Alcoholics Anonymous and the story of Bill W.’s emotional and
spiritual growth.

Sober & out

Lesbian, Gay, bisexual and transgender AA Members Share their experience,
strength and hope with alcoholism as well as their personal struggles and hard-fought
triumphs. The stories in this book show that—like most alcoholics—LGBT AAs struggle to fit in, stay sober and
find peace in their lives. By working the Steps, following the Traditions, doing service, and finding a Higher
Power, they are now living sober in the Fellowship of AA.
